Cero

Wall mounted write board

Design: Team Glimakra

Cero is a magnetic write board, that shares the same beautiful forms as the Cero Desk Screens, with either 15 mm or 100 mm corner radius. The whiteboard has a solid cross veneered board as core material. The edges are gently curved inwards, which gives the whiteboard an exclusive feeling. Cero is available in many dimensions, and can easily be mounted either horizontally or vertically with our flexible wall suspension system.
