LimbusCampus

Table and bench

Design: Johan Kauppi

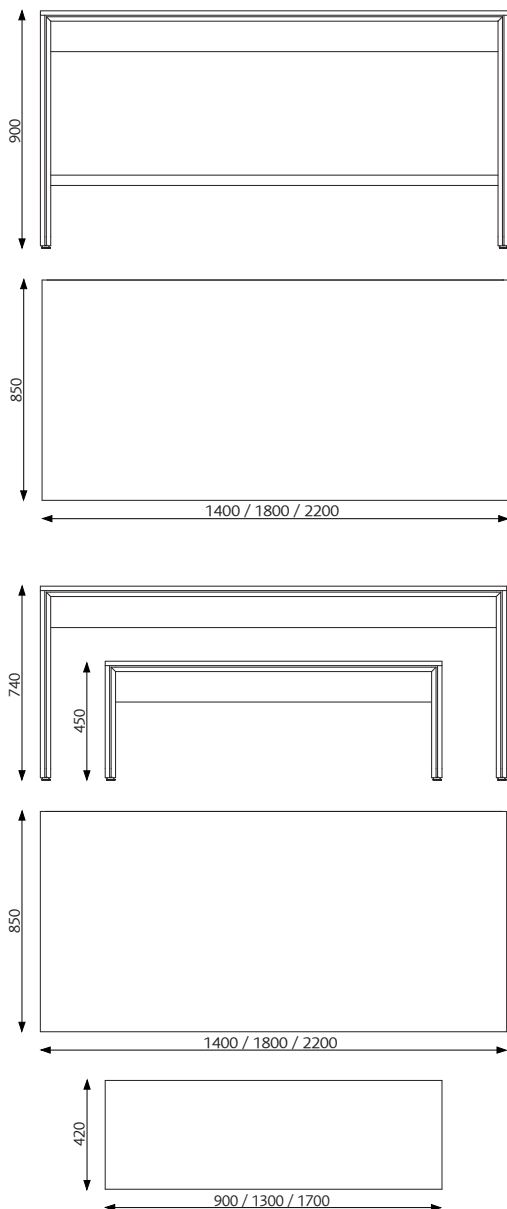

LimbusCampus

Table and bench

Design: Johan Kauppi

LimbusCampus is a collection of sound reducing tables and benches in the range of Limbus by Glimakra. The furniture in white stained ash are adapted for activity-based work, combining wood and fabric in an exciting new way. The fabric-covered inside and beam together with the piping gives the products its own impression.

DIMENSIONS

Weight:

Standing table: 73 / 78 / 87 kg

Table: 65 / 69 / 77 kg

Bench: 20 / 24 / 29 kg

DESCRIPTION

Body outside: 22 mm MDF board (Nordic Ecolabel) with white stained ash veneer.

Body inside: Fabric covered 16 mm light weight board (SWL) mounted with snap fasteners on the inside of the body.

Beam: 2 fabric covered solid wooden beams for stability. The standing table has a support in stainless steel.

The meeting between fabric and wood has the characteristic piping of Limbus.

Feet: Adjustable feet.

100% recyclable materials.

The furniture is delivered unassembled.

OPTIONS

Fabric: Mainline Flax, Blazer, Fenice, Lido och Synergy.

CERTIFICATE

Möbelfakta: The product meets the requirements for environment and social responsibility defined by Möbelfakta.

Glimakra of Sweden AB is certified according to ISO 9001:2015 and ISO 14001:2015.
