GlobalWall Glass

Write Board

Design: Team Glimakra

GlobalWall Glass

Write Board

Design: Team Glimakra

A wall-mounted, magnetic writing board in glass. The material on Global is a frame in MDF lacquered, in the same shade as the glass, which gives a monochrome look and fits perfectly with the fabric covered sound absorbent Global. The dimensions of the writing boards cover most needs, from small "remember" notes to big writing boards for conference rooms and other larger premises. GlobalWall Glass can be used in a combination of sound absorbers and writing boards in a workplace or other creative environments.

DIMENSIONS

Thickness: 50 mm

Size/weight:

- 600 x 600 mm / 9 kg
- 600 x 1200 mm / 18 kg
