Limbus Soft

Desk screen

Design: Team Glimakra

Limbus Soft desk screen is a thinner desk screen screen with the characteristic fabric piping around the screen. The desk screen screen focuses on reducing sound propagation in combination with good sound absorption in modern facilities. Reducing the sound propagation between workplaces is often the most important feature of desk screen screens. Limbus Soft desk screen offers flexibility, high quality and a design that blends into most environments. Very popular in large projects.

DIMENSIONS

Height over table: See separate product sheet for desk fittings.

Other dimensions on request.

Thickness: 33 mm

Weight [kg]:

Height [mm]:	500	640	790
Width 433 mm	2.5	3.2	4.0
