Contrast

Desk screen

Design: Team Glimakra

Contrast is our first desk-up screen based on the original version with 40 mm fabric-covered screen with straight lines, rounded edges and a plastic moulding around the screen. The desk-up screen has a perfect balance between sound absorption and sound propagation that is achieved with a sound reducing body and a sound absorbing polyether on both sides. The flexibility in size and fabric selection allows the screens to be customized to most desks. Contrast desk-up screen can be equipped with integrated toolbar, cable channel and outlets.

DIMENSIONS

Height over table: See separate product sheet for desk fittings.

Other dimensions on request.

Thickness: 40 mm

Weight [kg]:

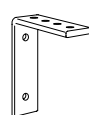

Height [mm]:	640	790
Width 800 mm	7.0	8.6
Width 1000 mm	9.0	11.1
Width 1200 mm	10.0	12.3
Width 1400 mm	12.0	14.8
Width 1600 mm	14.0	17.3
Width 1800 mm	16.0	19.8
Width 2000 mm	18.0	22.2
