LimbusWall

Wall absorbent

Design: Team Glimakra

LimbusWall

Wall absorbent

Design: Team Glimakra

LimbusWall is a high-absorbing wall absorbent that has got its character from LimbusDeskup screen with its straight lines and sharp edges. The fabric is nailed to the solid body with high quality and precision. The large selection of standard fabrics provide almost unlimited opportunities to create beautiful and functional wall environments. The panels are easy to install using aluminum rails screwed to the wall. Comes in three standard sizes and also available in special dimensions. LimbusWall is also available as a writing board; LimbusWall Write.

DIMENSIONS

Other dimensions on request.

Thickness: 50 mm

Weight: 6 / 9 / 15 kg
