ContourFloor Glass

Write Board

Design: Brad Ascalon

ContourFloor Glass

Write Board

Design: Brad Ascalon

It is simple and soothing in its shape. The changing scales evoke a sense of nature, like a series of trees in which one is certainly not exactly like the next. The greater the combination of different scaled units, the less one feels like he or she is in an office, but rather in the open, in nature. ContourFloor Glass allows for a focused work mode in that 1) it softens ambient sound, and 2) it masks the visual disruptions of a space to allow for a feeling of privacy both individually and within a small work group.

DIMENSIONS

The wheel stand builds 26 mm.

Eraser 150 mm. Magnets Ø 20

Thickness: 33 mm

DESCRIPTION

Frame: 6 mm sound absorbing polyether (Oeko-Tex) glued on both sides of a 19 mm sound reducing lightweight MDF.
