Sabine

Storage box

Design: Bertil Harström / Johan Kauppi

Sabine storage box is an accessory that fits into Sabine acoustic storage and is also stackable. The production takes place in Sweden with the old proven craftsmanship traditions. The box is made of only natural materials such as cardboard, wood and leather. Frame and runners in wood enhances the quality and give the box excellent stability. The box is treated to resist moisture and ease cleaning.

DIMENSIONS

	Outer:	Inner:
Width:	324 mm	300 mm
Depth:	340 mm	316 mm
Height:	330 mm	320 mm
Cardboard thickness:	1.5 mm	
Weight:	1.4 kg	

DESCRIPTION

Recycled cardboard punched, prefolded and riveted together with old handicraft techniques. The box is reinforced with frame and runners in wood which makes the box stackable. The handles have reinforcements in greased natural leather. Assembly is done with Chicago screws and chromed nails. Cardboard: 100 % recycled fiber paper 1.5 mm (natural cardboard). Colour: Sweden grey. Outside treated with cellulose varnish for easy cleaning and longer life. Wooden parts: Frame and runners in birch. The runners are fitted with felt to protect the shelves etc. Leather: Greased natural leather. 100% recyclable materials. Delivered fully assembled.

CERTIFICATE

Glimakra of Sweden AB is certified according to ISO 9001:2015 and ISO 14001:2015.
